This diagram shows a cross-sectional view of a multi-layered structure. At the top, there is a layer labeled 20. Below it is a layer labeled 18, which contains a central core labeled 32. The core 32 is flanked by two layers labeled 27 and 29. The entire structure is supported by a base layer labeled 31. At the bottom, the structure forms a large loop labeled 28, with a small protrusion labeled 34 extending from the left side. A label 40 points to the top edge of the structure.
